Your Last Full Day Is Here

As sad as it is to say, the last day is almost here at our wonderful Alpena. We hope you are proud of how far you've come and how much you've learned in this short and intense week. We are sure that you can now look back with a smile and even if you didn't enjoy the first few days, you had the most amazing time. We would like to thank you for coming and thank all the staff as well for all their hard work. We would also like to thank Alpena CRTC and it's staff for having us and feeding us.

Staff Spotlight:

Encampment Chief of Staff

Lt Col Shawn Wyant

Lt Col Wyant is the Chief of Staff of Encampment this year. It is his 10th encampment and he is in charge of making sure that the senior staff are all doing well and have their own job, as well as helping them out as needed. His favorite part of encampment is working alongside the seniors and socializing as well as watching the cadets grow and learn. He got into CAP after getting his pilot's license and joining to fly in general, he then got pulled into the cadet size of things in terms of cadet activities and staffing. TO inspire cadets he says, "Take the opportunity and take the most out of it, helps your future more than you think."

Fun fact: He likes to explore waterfalls.
